

AGEMS

Annals of Geriatric Education and Medical Sciences

Volume - 9, Issue - 2, Year - 2022 (www.agems.in)

Annals of Geriatric Education and Medical Sciences (AGEMS) open access, peer-reviewed Half-yearly journal publishing since 2014 and is published under auspices of the “Karam Society”. With the aim of faster and better dissemination of knowledge, we will be publishing the article ‘Ahead of Print’ immediately on acceptance. In addition, the journal would allow free access (Open Access) to its contents, which is likely to attract more readers and citations to articles more...

Call for paper

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.agems.in/info/author> and be submitted by **2024-10-31**.

The advertisement is a screenshot of a website for 'Manuscript Peer-Review Process'. The header is dark red with the logo on the left and contact information on the right: 'Email: support, editoroffice@ipinnovative.com' and 'Support: +91-11-6384414, 6384415 | 9950436448 | 88'. A navigation bar below the header contains links: 'About MPRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area has a light blue background. On the left, the text reads: 'Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.' Below this, it states: 'MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt.Ltd which is managed and operated by Innovative Publication and currently running with around 50+ Journals.' On the right, there is an illustration of a person sitting at a desk with a laptop, surrounded by icons representing various aspects of the publishing process. At the bottom left, the text says 'Why MPRP?' followed by a partially visible sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.
